On The Trail

On the Trail program, sponsored by Kensington Protective Products, rewards riders for spending time with their best friend, their Pinto horse. Time can be spent trail riding, driving, participating in parades, drill teams, therapeutic riding, enjoying riding lessons, or any other non-competitive activity. You may earn double hours for time spent riding in national and state parks, grasslands or historic areas, as recognized by the U.S. or Canadian National Parks Service.

Do you have a new foal? New Horse, or some news you would like to share with the club. How about some tack or something you might want to sell? Send anything you have to gmccadden@comcast.net for our next newsletter.

Certificates, patches and/or awards are earned by those who make milestone achievements in this program. Download a copy of the [On the Trail Hours Logged report](#) showing riders' achievements. **Go to Pinto Website for more info.**

From the President's Desk . . .

Hi Everyone,

We are half way through our summer series – HOW DID THAT HAPPEN ? Our July show was a lot of fun, but VERY hot. My pickup said 100° when we packed up to head home. Anyway, it was with a certain amount of trepidation that we set up a shade canopy in the center of the main arena for our judge and ring steward. I was really worried that the horses would come unglued – you know how they are. But I was pleasantly surprised at how well the animals handled the change. I didn't see any spooks, bolts or panics. Good job riders and horses.

I wanted to thank our members who volunteered at the Ashley Doolittle Memorial horse show July 16th. It was such a good cause. Our thought and prayers are with her family as they continue without her.

I know it is only the first of August, but it won't be long before the leaves and weather start to change. There are a couple of things the clubs needs to take care of with the coming of fall. First, we need to plan our Year End Celebration. If you would like to be on the planning committee, please contact Diane at dianec2010@hotmail.com or Laura at laurasy@aol.com. We welcome any new ideas and are open to all suggestions. Next, fall means officer elections. If you would like to take an active part in our club, holding an office or a director's position is a good way to do it. Specifically, we have one open position on the board of directors that is open. If you would like more information about the responsibilities of a position, feel free to contact any of the officers or board members.

May the horse be with you! Diane

From the Show Manager . . .

The Mark Boyle Memorial **SUMMER SERIES** is well on its way. We are preparing for the 3rd show in our series. We have a great set of judges lined up for this show. We have **ASHLEIGH HAMILL** in the main arena and **CHUCK MANGAN** for trail, miniature hunter/jumper and driving. Both these judges have extensive show, training and judging experience and we are very pleased to have them judge our show.

As I mentioned before, our new web master, Stephanie Angle, is putting together a points spread sheet for the summer series so you can follow your points throughout the series. It is available at www.coptha.org. But in case you don't want to look it up, attached are the current standings:

From the Show Secretary . . .

We had a total of 166 entries at our July show which is up from June with 139 entries. Our Western Jackpot class had the largest entries with 9 people.

Just a reminder **membership is required** to be eligible for year end prizes. In order to simplify membership due dates, we have changed the annual renewal date to include both show series. New memberships will now be valid from Jan. 1st 2016 through March 31st, 2017. Hope this helps!

Also, you must **participate in 3 out of the 4 shows** to be eligible for year end awards! And finally, our rules may be found at www.COPtHA.org. It is always a good idea to review the rules 😊
